FLUID POWER E|MOTION

Innovation · Continuity · Integration
————— It is Power —————

April 24–26, 2018
Stand 1450

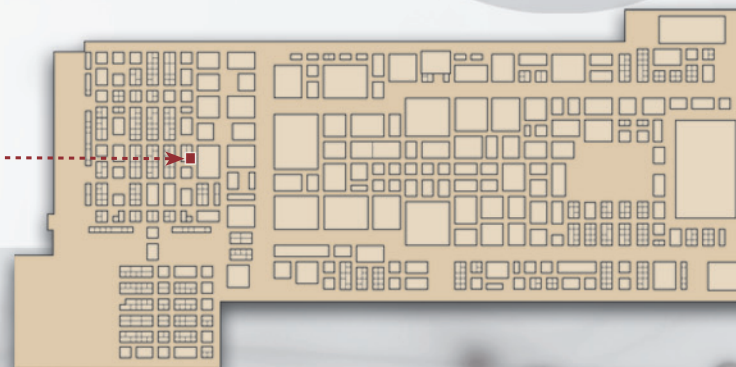

High performance, Efficiency, Flexibility and **Safety** are the targets **Walvoil** has been following in the last years to offer systems and components more and more suited to support strategies and solutions for the waste and recycling sector.

The recent merger with **Hydrocontrol** and **Galtech** experiences will enrich our company's offer to the market.

Innovation through **Continuity** and **Integration** is our mission.
