

WARRANTY CONDITIONS

Walvoil warrants to the original purchaser that products sold shall be free from defects in material and workmanship on the date of manufacture.

This Limited Warranty shall remain in effect for 18 months from the date of manufacture, with the exception of electric or electronic components where the warranty shall remain in effect for twelve months from the date of shipment.

If Buyer claims that a product violates such warranty, Walvoil, upon notice promptly given, will either examine the product at buyer's site, or issue shipping instructions for return to Walvoil at buyer's expense, transportation charges prepaid.

Walvoil's sole obligation under its warranty shall be, at its option, to repair, replace or refund the price of any product thereof which is proved to violate such warranty.

In no event, shall Walvoil be liable to the Buyer for special, indirect, incidental or consequential damages whatsoever including, without limitation, loss of profit or revenue. The above warranty is Buyer's exclusive remedy and Walvoil hereby expressly disclaims all other warranties, express or implied, including the implied warranty of merchantability and implied warranty of fitness for a particular purpose.

The foregoing shall constitute the sole remedy of the buyer and the sole liability of Walvoil. This limited Warranty shall not apply to any product or component that has been subject to alteration, accident, misuse, abuse, neglect, or failure to follow Walvoil's instructions for operation and maintenance.

Any technical assistance provided by Walvoil's personnel, or representatives, in system design is construed to be a proposal and not a recommendation. The responsibility for determining feasibility rests with the user and should be subject to test.

Only the terms expressed in this Limited Warranty shall apply and no distributor, corporation, or individual is authorized to amend, modify or extend this warranty in any way on resale.
