# WE ARE PLEASED TO INVITE YOU

**AT GIS EXPO 2025**

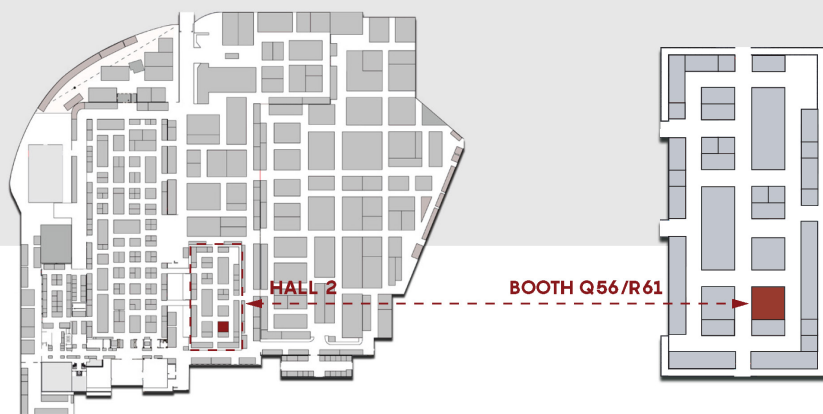

Always on the move and looking for the most appropriate solutions to the needs of machine manufacturers, Walvoil will attend GIS EXPO 2025, the biggest European event dedicated to lifting, port & industrial handling equipment and heavy transport vehicles.

Come and discover how the systems proposed by Walvoil, all part of our Hydraulic Digital Solutions, work and the potentialities they can offer.

LOOKING FORWARD TO MEETING YOU IN PIACENZA!
