WE ARE PLEASED TO INVITE YOU

AT IFAT 2026

'Innovative solutions for a responsible future' is the slogan for IFAT 2026 - a slogan that Walvoil has long embraced by developing products and solutions designed to improve efficiency, energy savings and energy recovery.

These products and solutions - our **Hydraulic Digital Solutions** - are ideally suited to the commercial vehicle sector, and in particular to municipal vehicles such as waste compactors and street sweepers.

Join Walvoil and learn more about our latest products and system solutions finalized for the sector.

MEET YOU IN MUNICH!
