NEW

## WST pro

Advanced Walvoil Service Tool

### WST pro

With this tool it is possible to:

- Calibrate and configure the applications
- Monitor I/O signals in Real Time
- Execute in-field system Diagnostic
- Update the Firmware and Software in the field

**Advanced Service Tool for  
Walvoil Electronic Components**

The new WST pro can be connected with all Walvoil electro- nomic components and integrates all the current tools (bootloader, configurator, diagnostics).

New ergonomic and intuitive graphical human machine interfa- ce simplifies and improves its usability.
