WALVOIL S.p.A via Adige 13/D 42124 Reggio Emilia, Italia  
States

Walvoil S.p.A. supplies hydraulic components and control devices which are designed and manufactured in accordance to the applicable European Directive and harmonized standards. These components could contain some of the substances (for example lead) listed in the Prop 65 so the final application needs the warning requested by the regulation in order to be sold in California:

*"WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm"*
